IN MEMORY OF RON BROWN, SECRETARY OF COMMERCE

17 December 1997

(Updated/Graphics Edition!)

THE REAL REASON, HOW AND **WHY**, RON WAS MURDERED, AS HE LAY CRITICALLY INJURED IN A DOWNED JETLINER!

[OR HOW RON'S NAME WAS ADDED TO THE "DEATH WATCH", WITH THE HELP OF A "DRY ICE BULLET"]

Ron Brown, Friendly Guy, with the Wrong Crowd, is added to the "*Death Watch*"!

Suspicious head wound noted on Brown

Washington - A military medical examiner said Thursday that an autopsy should have been performed on Commerce Secretary Ron Brown after he died in a plane crash to investigate a suspicious skull wound. Authorities [Who made the ruling?!] considered but ruled out that Brown had been shot. No autopsy was performed and authorities [Who made that conclusion?!] concluded that Brown died of injuries sustained in the 1996 crash in Croatia. LtCol Steve Cogswell, a deputy medical examiner at the Armed Forces Institute of Pathology, said Thursday he believes the head wound could have been caused by a bullet from a .45 caliber gun. Cogswell said the wound "deserved further investigation". He declined to comment at length, saying an account of his views published in the *Tribune-Review of Greensburg, PA*, had cause a stir among his superiors in the Air Force. (The above article a direct quote from "*Wire Service Reports*", 5 Dec 97.) [Read on, and see if Cogswell's discovery/revelation prove to be Providential?]

Facts, known and unknown, about the USAF Boeing-737 crash in Croatia: (1) The plane was painted UN white! (2) The NMCC's "Bosnian Crisis Action Team" in the Pentagon, knew from near real-time, confirmed, intel reports, that one flight attendant, Shelli Kelly, was alive and walking around on the ground. The rear section, over 1/3rd of the plane, was [photographed!] totally intact! Shelli [intel-reported] died of a slit femoral artery 3 hours after the crash! They killed Shelli because she knew that all of the bodies in the front section had been [intel-reported] burned by a blast from a thermite grenade/bomb. Burning thermite disrupts the electro-magnetic spectrum and would have disrupted the aircraft's electronic instruments, especially if detonated at the proper altitude and time, during the plane's final approach. (3) The Yugoslav Army had "just removed" the airport's VOR, a much more accurate instrument approach technology than the remaining NDB system. (4) The airport nav aids maintenance man was murdered ("suicide-reported") 2 days later. He probably found the NDB approach beacon had been turned off, by somebody, and a "meaconing" [decoy] beacon had been placed on the mountain to meacon the plane off course; thus it crashed on "cumulus-granite" It's much simpler to deploy a decoy [low-tech] single-freq NDB xmitter than a complex VOR! **That's why Ron's "[Global] death planners" had the VOR removed!** (5) All [intel-reported] bodies, except Ron Brown's, were ordered cremated by Clinton, to cover the thermite burns. With both the thermite bomb, the meaconing xmitter, and the "**Spetsnaz hit team**", they never had a snowball's chance in Pearl Harbor! [The US press never covered any of this! And you think you're seeing the truth on CBS/NBC/ABC/CNN, or in the press? Friend, this proves they're part of the "system"!]

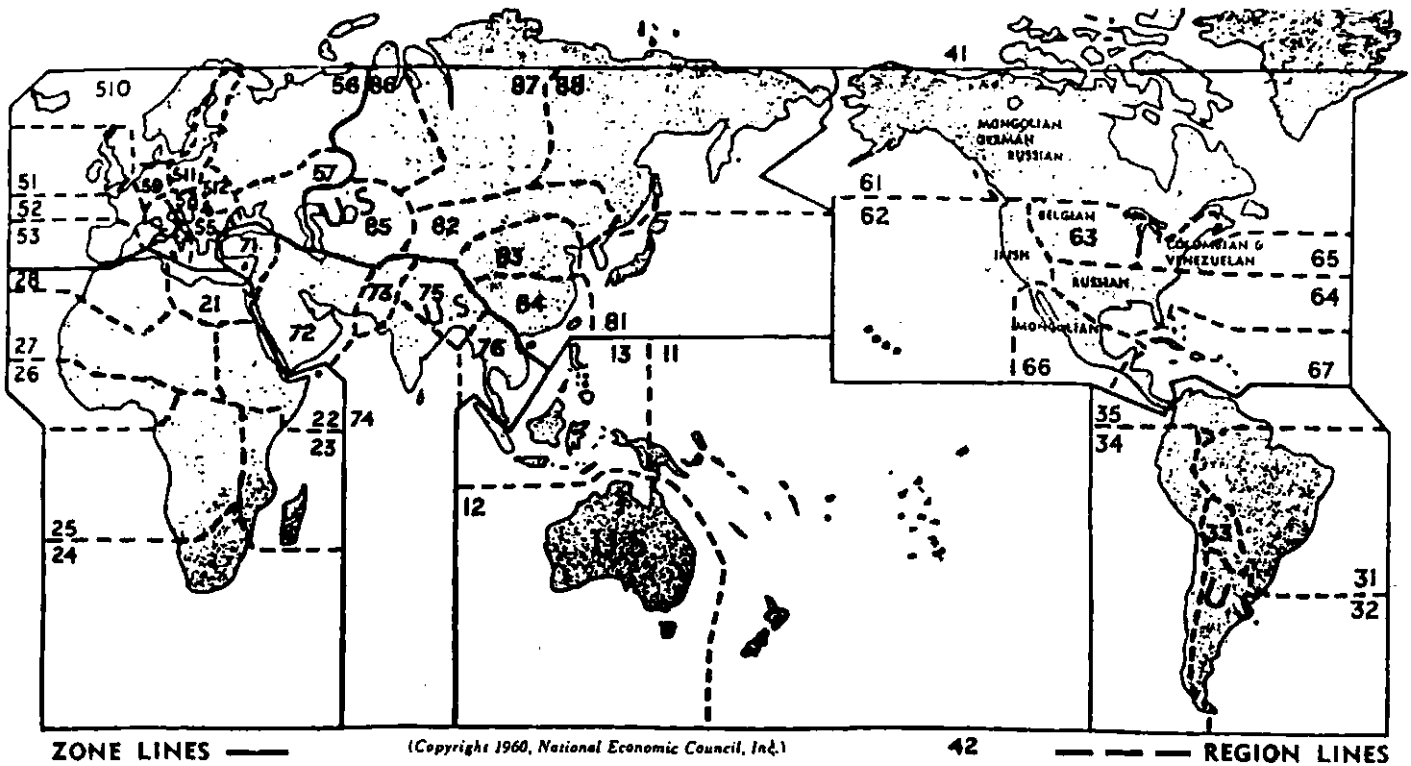

There are more facts, like the "removed" Cockpit Voice/Flight Data Recorders! Hillary [intel-reported] had flown on this same plane 2 weeks or so prior. It's inconceivable that Hillary would have been on that plane without the CVR/FDR boxes! Moreover, at least 10-12 scapegoat Air Force officers/EM have been relieved of duty/careers destroyed in Germany, to provide more obfuscation of/for the "accident". Make the US military look bad so "foreign" troops, here or wherever, look better!? Is this not the fingerprints of a trained Marxist; one who "*loathes the military*"? [See "Epilogue" on the last page!]

Is it not strange that after all these "crashes", domestic "terrorism" incidents, "suicides", etc, that Clinton always shows up to make national/international political hay, or to concoct more, freedom-stealing, "*anti-terrorism*" laws? **Pal, there's much more to this than what you're reading here!** To wit, Clinton, with tears flowing while with Ron's widow... Yes, but when caught laughing on video, as he left the funeral home, he quickly shifted into Slick Willie's "*grief act*". Yep, all recorded on video, but never shown on TV! Won't somebody send Ron's widow a copy of this? She ought to be incensed! And how about Shelli's folks?

To effectively dispatch Brown on his death-trip, the "accident" was cleverly planned and executed at the edict of the New World Order (NWO) and the "*basement cabinet*", and had to be coordinated by Council (CFR), or Tri-Lateral Commission (TLC) operatives in New York/Brussels; and had to have the unwitting, or coerced help of US commanders in Europe. Also, [intel-reported] the Sea-Air Rescue (SAR) team from Brindisi Air Base, Italia, did not find the crash site until 3 hours had passed! They were searching for debris far out over the Adriatic, because the Bosnian AWACS plane overhead didn't tell them where to look for the wreck! Why? "*The Cabal*" had to get the "Spetsnaz" on-site first, to make sure **everybody was dead**, thus forever sealing what went on inside the doomed plane! Killing Shelli was mandatory, because although they had removed the black boxes, so the flight crew's last words wouldn't be recorded, they had a live witness! They'd planned for this eventuality and had the "Spetsnaz" near the site to kill any

WORLD GOVERNMENT PLAN ALIEN TROOPS TO POLICE U.S.A.

Officers who think they will be at home watching over their own children and spouses are wrong. Once the NWO is set up in the year 2,000 (just a couple of years away) you, officer, guardsman, and soldiers, will be in other countries (listed below). Foreign police troops will be guarding and enslaving your spouses and children in U.S.A. Here is the plan—

- United States troops to be stationed:
- REGION 12. Australia
 - REGION 32. Uruguay, Argentina
 - REGION 55. Yugoslavia, Greece, Albania, Roumania, Bulgaria.
 - REGION 58. Austria, Hungary, Czechoslovakia.
 - REGION 75. India, Nepal, Blutan, Tibet, E. Pakistan.
 - REGION 85. Kazak SSR, Turkmen, Uzbek, Tadzhik, Kirghiz SSR.

This map, adopted in 1952 in London by the *World Association of Parliamentarians for World Government*, shows what alien troops would occupy and police the six regions into which the United States and Canada would be divided.

The ruling body or World Parliament would consist only of appointed members. It would reflect population-strengths; so Asia would dominate it.

There would be a World Director, 8 zone directors and 51 regional directors. None of the zone or regional directors would ever serve in their own countries. So an alien would command troops stationed in the U. S. and through them enforce World Government law, and prevent Americans from "sheltering behind national allegiance."

survivors! Shelli was alive when she boarded the UN "rescue" chopper! **Question: Based on late info, did "they, with a "dry ice bullet" [see below], 'insurance-shoot' a critically injured Ron Brown, as he lay in the intact-rear of the downed plane? To make sure they got Ron, any other Afro male on board would have gotten an "insurance" bullet in his head too! Real nice rescue people, huh? [Read the "Epilogue".]**

Critical Info: Ron Brown was the DNC Chairman during Clinton's election campaign, and had access to campaign funding facts! He was sent to Vietnam by Clinton to swap "*Most Favored Nation*" trading status for a kickback of \$700,000; for "**the Executive Duo's**" pockets! Hey, too bad for MIA's still in 'Nam! However, the deal went South, and the Justice Dept **was tagging Ron for the whole tab**; while letting the Clintons skate free! **But here's the hidden kicker:** Ron knew about Executive Order (ExOrder) 12919, as well as many others, and the "*Continuity of Govt Plan*"; which are primary documents in the scenario to enslave the US under One World-UN Rule! To wit, Clinton visited Pope John Paul II on 2 June, signing the ExOrder on 3 June aboard AF One! It was aboard, staffed, and already set for "**UN approval**", and signature! The ExOrder is dated "*June, 7, 1994*"; and like all the others, he, and many Presidents before him have issued, are largely **illegal!** He pushes the '**word**' "*Constitution*" when it serves his purposes; otherwise he treads it underfoot like Bevis and Butthead on a binge!

Under ExOrder 12919, Ron Brown/the Commerce Dept had exclusive purview over the "*Defense Priorities Allocation System*" [Part II, Sec 201 (b)]. Ron also had knowledge of the "*National Defense Executive Reserve*" [Part VI, Sec 601], which states that "*experts*" (but not "*full-time federal employees*") will be hired to run the then-existing govt in a "*national emergency*". This is where they'll bring in foreigners to rule the USA as a '**Final Solution**' UN Govt! Why no "federal employees"? They believe in the Constitution and would practice inborn 'national allegiance', and cannot be trusted! Thus, Ron knew about FEMA's "*Continuity of Govt Plan*", Hillary's "basement cabinet", and the plot to "regionalize" the US, within the 10 FEMA Regions, under a UN-controlled police state! **Ron was a "dead man walking", long before he went to Bosnia!** [Read about the "*domestic policy deal*" in Gary Aldrich's book, "*Unlimited Access: An FBI Agent in the Clinton White House*"; and then you figure out the location of the "*Basement Cabinet*".]

As Justice, and the Congressional Republicans, got closer to Ron, he told Willie, "*Look, Boss, if I don't get off the hook on this money mess, I ain't going down quiet.*" In other words, Ron might just "loose the cat from the bag" on the Clintons, and what the NWO/CFR/TLC was planning for the US, thus blowing their longtime, cleverly conceived, cabalistic cover! The Cabal frowns on top level people, especially good guys like ADM Boorda, who fail to toe the party line! In view of that, Ron couldn't be trusted, so an elaborate "*death plan*" was co-drafted by the "basement cabinet", and coordinated with "global" operatives worldwide; and put in motion to kill him, **long before "they" removed the VOR from the airport!** Waco, OKC, and TWA were secretly executed, "*domestic policy*" issues. [See the "Death Watch" below!]

Bullet Hole -- but no exit! Recent press reports relate that LtCol Steve Cogswell, military pathologist at the Armed Forces Institute of Pathology, states of Brown's head wound, "*the head wound could have been caused by a bullet from a 45-caliber gun*". "They" went in and made sure Ron was dead! [Related issue! In the **Valuejet crash** there's evidence that the Al Gore staffer who died in the crash [which wasn't nationally reported, as it was a local-Wash DC-one-time-only report], may have been given an incendiary device (as a "gift for the VP"), which detonated under his/her seat! The oxygen generators were placed in the forward cargo hold as a diversion to obfuscate the real cause; the "hot" device that, "*melted a cabin seat support*" and put the "*fire in the cabin*". Also, CIA-contractor, Chuck Hays, the actual target of the Valuejet crash, who **missed** the flight, knew **Vince Foster had been computer-stripped of \$2.6 million from his Swiss account and was going to 'weasel' on some folks in the White House!** -- "The Cabal" has power folks; to hit, kill, and jail anywhere, anytime. Walter Reed and the Pathological Institute confirm that Cogswell is still safe, working at his office, having honestly done more than enough damage already to "*The Globalist Cabal*". However, revenge is a prime motivator in the UN's bag of dirty tricks! Watch out sir! And now he knows why there was no exit hole! May God help the Congressional Black Caucus to prevail, and get the culprits who killed Ron, **because they care nothing for our Afro brothers and sisters; only gross exploitation to advance and complete their globalist, One World Government agenda! [Hint: It'll miserably fail!]**

"DRY ICE BULLET" NOTES: The cartridge used to kill Ron Brown, or finish him off, is called a "*Dry Ice Bullet*". They're kept frozen in a special cryogenic container, rapidly loaded, then fired into the victim(s), killing them, and then evaporating; thus there's no exit wound, and no telltale ballistics--just trauma! **This is why Ron's x-rays showed no fragments!** But Cogswell/the AF photographer found the **entrance hole**; thus, **the plot would now "unrave!"** An autopsy would've revealed a short, progressively

This diagram certainly proves that P.L. 87-297 means what it says.

State Dept. Paper 7277 compliments P.L. 87-297. Does 7277 mean what it says? Certainly Senator Clark made it clear that it does. Read his statement while discussing 7277.

Former Senator Joseph S. Clark of Pennsylvania stated on the floor of the U.S. Senate during debate on March 1, 1962, that this program is "the fixed, determined and approved policy of the government of the United States."

Following are excerpts from State Department Paper 7277

The United States Program for General and Complete Disarmament

...A world in which adjustment to change takes place in accordance with the principles of the United Nations.

In order to make possible the achievement of that goal, the program sets forth the following specific objectives toward which nations should direct their efforts:

- The disbanding of all national armed forces and the prohibition of their reestablishment in any form whatsoever

other than those required to preserve internal order and for contributions to a United Nations Peace Force;

- The elimination from national arsenals of all armaments, including all weapons of mass destruction and the means for their delivery, other than those required for a United Nations Peace Force and for maintaining internal order;

- The manufacturer of armaments would be prohibited except for those of agreed types and quantities to be used by the U.N. Peace Force and those required to maintain internal order. All other armaments would be destroyed or converted to peaceful purposes.

degrading bullet path into Ron's head/brain tissue, but no exit! [The sorry killers mushed Ron's brain!] The dry ice actually fragmented into many tiny pieces, and evaporated! The FBI once briefed this type round at terrorist seminars. [A .45 blank, alone, could have done it, but the "dry ice" slug did the job on Ron!]

----- THE CLINTON DEATH WATCH -----

While The Clintons have been in office, many people have died related to their Administration; or died, having once been linked directly to Bill in some capacity. The Cabal will stop at nothing to keep Bill, and his 6th Degree Illuminata-inspired wife, in absolute power! He was Perot-bought/manipulated [43%] into power with the NWO's money. (* Indicates police officers/former law enforcement personnel with arrest powers. Ed note: They're committed to replacing, per 'The UN/Globalist Plan', US officers with UN troops, and care nothing for our cops!)

Regional Government Update 1987

The country is partitioned off into 10 "regions". The most bold black lines delineate the ten sections (regions), each having its own "capital". The less bold lines depict the replacements for counties. They are called U.M.J.O.s (Umbrella Multi-jurisdictional Organizations). Every state has been so recast. The finest lines are the present county structure that is "planned" to be abolished!

—Bernadine Smith

President Nixon on 3-27-69 through the Government Reorganization Act divided the United States into ten Regions. To further implement this Regional Governance over the U.S.A., President Nixon signed Executive Order 11649 and entered it in the Federal Register Feb. 12, 1972. (Vol. 37, No. 30)

Through the authority vested in him as President of the U.S., he established a Federal Regional Council for each of the ten standard regions. It stated that, the President shall designate one member of each such Council as Chairman of that Council and such chairman shall serve at the pleasure of the President.

federal center", and they panicked, knowing the "Federal Center" was to be blown up the next day! Thus, they ordered the doomed Learjet's fuel distribution system to be sabotaged; causing the C-21 to destabilize in flight and crash -- at night. Thus, DOD got a "message"-- **play along, or die!** A "press open house" at the Transfer Center had been hastily called on 4 April; with further admission of the massive "Prisoner Airline" operation, coming on 7 April. It's real folks!

2 May 96 ValueJet Crash Aide to Al Gore(?) First news report said a staffer to Al Gore was on the flight. Nothing more was ever heard of the "staffer" in subsequent reports! Reportedly, CIA-contractor Chuck Hayes, knew Vince Foster had 2.6 million dollars stripped from his Swiss bank account. Foster was going to "spill the beans" in revenge. Hayes was scheduled to be on the ValueJet, but missed it. He's now been [reportedly] arrested for "spousal abuse", and is "muzzled" in jail. "They" are wic---ked!

15 May 96 Suicide(?!!) CNO, ADM Mike Boorda First TV report said, "gunshots at Navy Yard". FBI agent called a talk show host and said "multiple gunshots". In Russia, Boorda was asked to bring 100,000 Chinese "peace keepers" to the US. Being the only patriot among the Service Chiefs, he refused, also knowing, among many other horrors, that Clinton had taken the ICBM launch control away from the SSBN's; and Top Secret PDD 25 had turned our military forces over to UN command! He was murdered, thus sending another "cooperate-or-else message" to the 'remaining' Service Chiefs. The "USSR" trip was another phoney "Partnership" deal, in-the-Cold-War's-over-so-let's-lull-the-USA-to-sleep-for-the-kill charade! [Ask Mike Benn about the black chopper rocket attack on "his neighbor's house in Dallas, and the SecSvc coming to get the appliances in a rent-a-truck!]

17 July 1996 TWA 800 230 people Reportedly [but not confirmed], the "Miami Herald" printed that two of then-Governor Clinton's Arkansas State Trooper body guards were on TWA Flight 800; supposedly going to Paris to interview with the "La Monde" magazine. This **MUST** be checked out later. No one has validated the "Herald" report. (However, it was a **Multi-National Force/UN Black Hawk [Model 7] chopper, with a Soviet, "Partnership for Peace", crew, using a polycarbonate, Continuous Rod (CR) Warhead missile, which downed the jetliner!** The black/gray/UN blue-white choppers employ radar-spoofing ECM gear, and can't be seen on FAA civil radar! The "ECM pod" also jams CB and cellphones!)

Sept 96 C-130 Commo Officer-Plus! Jackson Hole, WY, C-130 crash killed a SecSvc officer who was privy to Clinton and David Rockefeller's secret little, "Willie-you-do-as-we-world-bankers-say-or-your're-done-Pal-conference. The Wyoming security escorts, who accompanied Clinton during the visit, swore Clinton got on the C-130 just before it took off! However, unless they have cloned another Bill Clinton, the guy was a Secret Service "double". Who knows these days? Nov 97, late report: It's been reported that Clinton had a "double". **This is who the Wyoming security people saw get on the C-130!!** The "double" would serve Clinton's own surreptitious purposes [like covering his trips to Mariott "_____ parties", at 4 AM, under a blanket in a limo's back seat]; plus, if discovered, the doubles' existence could be "Clinton-justified", by/with the current "terrible terrorism threat, and its danger to the President!". However, the double's now dead, and the so-called "terrorists" are still "uptown" in Washington. Guess where folks!

Friend, patriot, school teacher, legislator, cop, soldier, housewife, whoever, you have now read how "they" killed Ron Brown; and why! What're you going to do about it? Hide under a rock, go into denial, or get angry! It's your country they're about to take over! Prepare physically, **spiritually**, and **move with a purpose!** Now! You don't have much time! They've had many years to prepare; you have but a month or two at most! "Noah prepared an ark to the saving of his house." **Maranatha!**

EPILOGUE

[See the graphics!]

There's untold thousands of UN/Soviet operatives in-country, who've been clandestinely shipped in, within the last 8 years, under the cloak of FEMA [black operations] and the "Partnership for Peace", and "Project Harmony" agreements! Black masks, uniforms and all; including their ["Soviet Order of Battle"] "POMCUS", i.e., prepositioned equipment, armor, choppers, dogs, guns, vehicles, etc! That's where 99% of the "Cops on the Street" money is going! There are over 140 FEMA-built "dissident/resister" camps now existing, and operational! There are massive "prisoner transport" systems, plus 2 lists, "Red and Blue", now resident on FEMA computers, at the 34 [now-UN-guarded] secret bases across the US, containing the names of more than 6 million "politically incorrect" Americans to be "dealt with"; i.e., before/after martial law is declared! Hillary's lists were minor "slips", in comparison to these two! Friend, what you read here is just the "Tip O' the Berg". **Now you know why they want to Nazi-register all of the private guns! Historically, registration leads to gun confiscation, and such is always followed by genocide!** The USA will be no different. Our time has come! The purposely contrived "fear of domestic terrorism" is a repeat scenario (Hegelian Dialectic) of the Nazi take over of Germany! With more "planned" Wacos, OK Cities, and TWAs, etc., we'll be forced into the clever trap of giving up our freedoms, Nazi-style, in the name "peace and safety". When it's the Clinton Administration which must be responsible for it all! To wit, all of the gross "terrorism", etc., that has happened, including **Apocalyptic Weather Disasters**, in the last 5-plus years, have **every one happened on Clinton's watch!** Wake up citizen, because Ron Brown's blood, to the the Almighty, cries out from the rocks of a Croatian mountainside, "Avenge me O' Lord". So be it Almighty God.... (P.S. There was no fertilizer ever employed at OKC, as General Ben Partin has proved! And UN operatives burned down Waco after US cops were "officially" backed-off on the 47th day! American men don't burn live kids; but hateful, imported foreigners will!)
